PAPER CURRENCY DEPARTMENT,
The 23rd September 1872.**Storm Signals.**

THE following regulations, for the use of the Storm Signals provided at the Indian Museum, are notified for general information:—

The Signals are of two kinds; a double cone to be hoisted as a *Warning Signal*, and a drum or *Storm Signal*.

The *Warning Signal* will be hoisted on the flag-staff at the Indian Museum whenever the appearance of the weather at Calcutta, and as reported by telegraph from the Meteorological Stations on and near the coast, is such as usually precedes a Cyclone in the neighbourhood of the coast.

The *Storm Signal* will be hoisted when from the same indications it is to be inferred that a storm is imminent and approaching Calcutta.

These Signals will be hoisted only during the hours of day-light.

Similar signals are deposited at the Government Dockyard, Kidderpore, the Sailors' Home, the Chamber of Commerce, and the Office of the Trades' Association, and on due occasion notices to exhibit them will be sent to the Bankhall, the Office of the Commissioners for the Improvement of the Port, the Chamber of Commerce, and the Trades' Association.

Notice.

OVERLAND MONEY ORDERS.

THE public are hereby informed that, under arrangements concluded with the Post Office of the United Kingdom, an exchange of Money Orders between that country and India will commence on the 1st October 1872.

2. The offices established in India for the transaction of inland money order business will transact also the business of Overland Money Orders. A list of Indian Money Order Offices is given in the Indian Postal Guide.

3. Any persons desirous of remitting money to the United Kingdom by means of an Overland Money Order should apply to a Money Order Office furnishing the particulars described below:—

Overland Money Order application.

For £ _____ s _____ d _____
Payable to _____
residing at _____
Name of remitter _____
Address _____
Date _____

Blank forms of application can be obtained by intending remitters from a Money Order Office all necessary instructions respecting the filling up of such forms being printed on the back. The residence of the person to whom the order is to be made payable should be carefully given by the remitter as it is on this information that the London Office determines the particular Money Order Office in the United Kingdom at which the order can be most conveniently made payable.

4. No Overland Money Order can exceed £10, or contain the fraction of a penny.

5. The amount chargeable in India for an order payable in the United Kingdom can be ascertained from any Money Order Office. The scale of Indian charges is liable to vary with the rate of exchange; for the present the scale of charge will be as follows:—

Amount of Order.	Cost of Order.
£. s. d.	Rs. As. P.
10 0 0 107 0 0
7 10 11 80 11 4
7 10 0 80 4 0
5 0 11 53 15 4
5 0 0 53 8 0
2 10 0 26 12 0

The sum chargeable for an intermediate amount can be obtained from the next higher amount in the above schedule by deducting from the "cost" at the rate of 8 annas for every shilling and eight pie for every penny, by which the "amount" is reduced.

6. For each remittance the remitter will be furnished with a receipt with all needful information printed on the back. This receipt will be retained by the remitter; all that he has to do being to write to the payee in England informing him of his (the remitter's) name as entered in the receipt. The payee in England will receive the Money Order direct from the London Office.

7. Orders for remittances from the United Kingdom, payable in India, will be forwarded

without charge for postage by the Post-Master, Bombay, to the payee in India; and, if there be no Money Order Office at his address, the Post-Master of Bombay, before issuing the order, will enquire of him as to the office at which payment can most conveniently be taken. These orders will be in the same form, and subject to the same rules in respect of payment as ordinary Inland Money Orders except that the payee will not be required to give information respecting the address of the remitter in Britain, but only in respect of his surname and Christian name.
